

## **REPORTING ENDORSEMENT NOTICE**

Due to the changes in the Final Rule 21, effective June 21, 2011, the surcharge for reporting endorsements has changed. Previously, all providers except for hospitals, nursing homes and physicians, were paying 110% of the underlying premium for their tail policies.

As of June 21, 2011, all physicians, independent ancillary providers, hospitals and nursing homes have been assessed a surcharge rate of \$100 for reporting endorsements.

As of November 18, 2011 ancillary providers have been assessed a surcharge rate of 100% of their underlying reporting endorsement premium. Any filings received in our office after November 18, 2011 must pay the corrected surcharge rate of 100% of reporting endorsement premium, or the carrier will be contacted to amend the certificate.

Questions should be addressed to Nancy Wilkins, manager of the Medical Malpractice Division, who can be reached at (317) 232-2401, or via email at [nwilkins@idoi.IN.gov](mailto:nwilkins@idoi.IN.gov).
